

Come Play Men's Water Volleyball!

The Greenbriar Occanaire Water Volleyball Club meets each Wednesday at 5pm in the indoor pool for fun and comradery with the added benefit ...exercise!

Come and join your friends and neighbors in this fun activity.

Water volleyball played in our indoor pool is patterned after beach volleyball but uses a slightly lower net. *Even though it is considered a recreational activity, it requires superior aerobic fitness, muscular strength and endurance, and great timing.*
